

Impact Ministries

Celebration

Celebration is a co-ed choral group (but we prefer vocal ensemble) that sings at churches all over, as well as at BCM functions. The group presents a wide variety of music, mostly a cappella, and pursues excellence in sound and technique. Celebration is the perfect addition to a DiscipleNow or other special event.

For more information, contact John Adams at jmabulldog@gmail.com.

CenterStage

CenterStage is BCM's traveling drama group. CenterStage shares the message of the Gospel through dramatic interpretation at scheduled events and DiscipleNows.

Impact Ministry @ UGA BCM

DiscipleNow

This is a special service BCM offers any church in need by providing groups of BCM college students to be in-home small group leaders, or perhaps to provide a praise band, acting stage group or choral ensemble. BCM Impact ministry is here to meet any need a church may have for their Disciple Now weekend. All we ask is information about your weekend, what you may need in terms of services, and if you will be needing leaders, then definitely the material that is going to be taught over the weekend so our college students can be

at their peak to teach your students! We are so excited about these weekends and look forward to loving on you and your students as well as glorifying Christ alongside you.

To find out more information about the Impact Ministry or to request college students for your DiscipleNow contact Jenny Kirsch at jenny374@uga.edu or call the UGA BCM at 706.549.2747.

Impact Ministries

Dance Team

The Dance Team offers Hip-Hop, Lyrical, and Jazz. While mainly performing a deeper message to a song, Dance Team is also willing to teach dances to children, students, or anyone else. We show the glory of God in worship with our bodies and serve your needs with an unashamed, David-like-dancing heart!

For more info, contact Amanda Harris at oct2587@uga.edu

Impact Band

The Impact Band is a group of the BCM that reaches out to churches and events. The band plays just about anywhere, including D-now weekends, retreats, and even conferences. The heart of the band is to serve in places that need musicians to assist in leading God centered praise and worship music.
